

VANTAGETM

PROTECTION SYSTEMS

"Proven Technology Proven Protection"

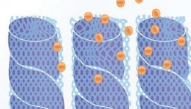

It Pays to Protect.

What is It? *nan-o-tech-nol-o-gy?*

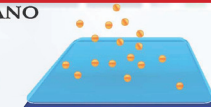

Comprehensive Interior and Exterior Protection leveraging Nano Technology. This revolutionary technology provides protection at the molecular level (particles that can fill every nook and cranny to create a smooth finish.)

Polymeric Resin Coating

Tighter Molecular Structure
Smaller Gaps
Tighter barrier against contaminants having contact with fibers

NANO

- Increase Gloss and Durability
- Protects Resale Value
- Environmentally Friendly Application Process

Proven Technology Proven Protection

"We usually have a group of people on our pontoon every weekend. Things get spilled all the time! I have all of the furniture in my house professional protected, so it was a no-brainer to have it done on my boat."

Why Your Boat Needs It?

1. Complete Interior and Exterior Protection for 5 Years!
2. Fully Insured Warranty If Damage Occurs*
 - A. Including Repainting and Gel Coat Repair
 - B. Replacement/Repair of Interior Surfaces
 - C. Coverage for Rips, Tears, Punctures and Burns
3. Increased Resale Value - Shield Your New Boat from Both Human and Natural Events.
4. It's Not a Question of IF, It is a Question of **When** Accidents & Damage Occur. You Will Be Glad You Invested in this Coverage.

Vantage Protection SystemsTM Products are Backed by a **44-YEAR LEGACY** of Protective Excellence

Did You Know?

Typical Boat Wax melts off or dissipates at 120° - 140° degrees. VPS Technology protects your boat to a surface temperature of up to 550° !!!

Vantage Protection SystemsTM Products are Sold Exclusively Through Vantage Resource Group, Inc.

VANTAGE™ PROTECTION SYSTEMS

"Proven Technology Proven Protection"

It's All About Technology

How it Protects

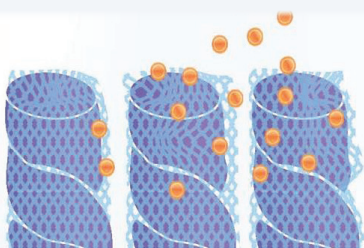

The "secret" about the comprehensive protection that VPS Products deliver, is simply in the revolutionary technology it is created from. This Nano Technology acts to produce a significant shield for your interior and exterior surfaces from the inevitable impacts from environmental or human elements. It is invisible to the naked eye and will maintain your boats luster and Interior/Exterior for many years.

More of What Some of Our Customers are Saying!

“ I just took delivery of my new boat and plan to own it for many years. The Florida sun will burn wax off in a matter of hours and destroy my gelcoat and interior vinyl. Vantage Protection is a small price to pay for the protection it will give me. ”

“ We purchased our boat for the entire family to enjoy. My teenage boys will most likely use it more then we will. Vantage Protection Systems product just made total sense. They can have their fun, but we are still protected ”

“ If you have ever had mold or mildew in your boat, you know that it NEVER GOES AWAY. This alone is worth the few dollars a month that this protection costs. ”
